EAN 4016032321996

CAT 6 S-FTP patch cord, Cu, LSZH AWG 27/7, length 5 m, color grey

DIGITUS® Category 6 Class E patch cables are manufactured and tested in accordance with the ISO/IEC 11801 and DIN EN 50173 CAT 6 standards. They ensure that the cable installation complies with the ISO & EN channel specifications and deliver outstanding performance in DIGITUS® CAT 6 cabling. Performance has been tested up to 250 MHz, including performance characteristics such as near-end crosstalk (NEXT). DIGITUS® patch cables have been specially developed to fully meet all requirements across various application areas. Each cable is equipped with an injection-molded kink-protection sleeve with strain relief. In addition, the sleeve features a latch protection mechanism that prevents the cables from getting snagged and the latch from breaking off the connector. The red color of the connectors makes it easy to identify Category 6 cables.

Future-oriented standards and high-end quality for your network.
