DIGITUS® Roof-mounted fan unit for Unique & Unique Light network enclosures and Unique Server-N server enclosures

DN-19 FAN-4-B-N

EAN 4016032332855

Roof ventilation unit, 4 fans, black for Unique, Unique Light, Unique Server-N

The roof-mounted fan units are suitable for all network enclosures in the Unique & Unique Light series, as well as all server enclosures in the Unique Server-N series. They can be installed quickly and easily in the top module of the enclosure in just a few steps. Equipped with an ON/OFF switch and a shelf-mounted thermostat, each fan unit offers the best operational readiness according to individual requirements. The model is available in the standard colors grey (RAL 7035) and black (RAL 9005), optionally equipped with two or four fans.

The DIGITUS® 483 mm (19") accessories have been developed for the high demands of IT infrastructure and are manufactured to German quality standards.
